Dear Dan,

On behalf of the Cromwell Recreation Department and the residents of town, I want to thank you and all members of the Connecticut Ultimate Club for the very generous donation. I am so glad that the fields worked well with your club this year and look forward to working with you all again in the future. Many residents did stop me and ask about your group and what a welcome activity it was to the fields. They enjoyed watching the games and how respectful the group was of the facility.

I hope that you personally made it through this past week-end and the hurricane with no major problems and have a great winter. I look forward to hearing from you and setting things up again next spring.

Sincerely,

  
Susan L. Schein  
Recreation Director
